

Join Ed Hopwood of The Harmonica Barge of for an exhilarating voyage into the world of diatonic harmonica. Ed's taught thousands of beginners how to make music: at festivals, on board boats and even live on the radio.

Whether you're a complete novice or you've whipped it out the drawer and blown a few notes, Ed will introduce you to the soulful sound of this wonderful little instrument.

We'll make music right from the word go.

Some of the topics Covered:

- Zen Harmonica Breathing with the Old Masters
- Two chord Reggae heaven
- Take it to Chicago
- 70s Blues Explosion!
- Get on the Melody Bus
- Bending the Blues

Prepare to ride the rails of an amazing harmonica journey through some truly great music from the last 100 years.

By the end of the day you'll be chugging like a locomotive, wailing like a front porch Blues man and even have the skills to play a soulful melody.

Equipment Required:

Harmonica- key of C

Shakers or percussion (optional)
